01 Bra Series

- ◆ **Product Code: DWB115007**
- ◆ **Sizes: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Spandex**
- ◆ **Colors: Chestnut, Seacliff Gray, Summer Blue, Naughty Pink**
- ◆ **Price: \$6.00**

Design Highlights :

- Square neckline design, simple and elegant, modifies neck lines and makes the face appear smaller
- Three-dimensional dividing lines highlight a full bust shape
- Cross-back design trims back lines and enhances muscle curve beauty
- Fixed integrated cup, no need for a bra, stays in place during running and jumping

Cup Advantages :

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages :

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

◆ **Product Code: DWB115005**

◆ **Sizes: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Spandex**

◆ **Colors: Chestnut, Seacliff Gray, Summer Blue, Naughty Pink**

◆ **Price: \$6.00**

Design Highlights:

- Fixed integrated cup, no need to wear a bra, no cup shifting, cover armpit fat
- High-elastic thin shoulder straps, tight but not constricting
- Sexy cross-back design, refreshing and breathable
- Waist-tightening tailoring, visual slimming effect
- Cloud-like fabric, soft and skin-friendly

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- Selected new high-end brand fabric, ribbed texture,
- Elasticity with tension and relaxation, smooth and shape-retaining, not easy to deform,
- Gives soft fabric a unique three-dimensional feel, minimalist yet not monotonous.

◆ **Product Code: DWB115058**

◆ **Size: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Spandex**

◆ **Colors: Black/Coral Magenta/Cote D'Azur/Vat Pine Green**

◆ **Price: \$9.00**

Design Highlights:

- Front zipper design, easy to put on/off before/after exercise, built-in explosion-proof buckle for safety
- Square neckline design, simple and elegant, modifies neckline, makes face look smaller
- Fixed integrated cup, no need to wear a bra, chest line with reflective strips for a trendy functional feel
- Releases shoulder blades, mesh splicing for better breathability, sweat-resistant

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

- ◆ **Product Code: DWB115019**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Spandex**
- ◆ **Colors: Light Milk Green/Black/Coral Magenta/Summer Blue**
- ◆ **Price: \$6.00**

Design Highlights:

- 1. Front pleats for instant volume boost, making small busts look plump and shapely
- 2. Wide hem for stable support, soft elastic won't dig in, stays in place during movement
- 3. Fixed integrated cup, no need for a bra—easy to wear/remove, prevents pad shifting
- 4. Cross hollow back design distributes shoulder pressure, enhances breathability, and showcases shoulder blades

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

- ◆ **Product Code: DWB115020**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Spandex**
- ◆ **Colors: Light Milk Green/Black/Coconut Milk White/Plum Jam**
- ◆ **Price: \$6.70**

Design Highlights:

- Front zipper design for easy on/off before/after workouts, with built-in anti-explosion buckle for safety.
- Front pleated design modifies bust shape, visually enhancing bust size.
- Classic I-shaped back design for shockproof support, comfortable fit without rubbing shoulder blades, and stable movement.
- High-elastic, skin-friendly, and breathable fabric with anti-pilling performance rated 4-5 levels.

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

◆ **Product Code: DWB115024**

◆ **Size: S M L XL**

◆ **Fabric Composition: 92% Cotton, 8% Spandex**

◆ **Colors: White Heather / Black/Blue Heather / White**

◆ **Price: \$5.00**

Design Highlights:

- Ribbed fabric, soft and skin-friendly, non-deformable, comfortable and breathable for long wear without stiffness; vertical texture modifies body shape for a slimmer look.
- Built-in chest pad, no need to wear a bra—ready to go in one piece.
- Curved hem modifies the abdomen, hiding belly fat for a slimmer appearance.

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- The fabric feels soft and smooth, similar to silk, with no friction or irritation to the skin, offering excellent skin-friendliness.
- Loose structure with large pores between fibers for good air circulation, allowing the skin to breathe freely and keeping the wearer cool in hot weather.

- ◆ **Product Code: DWC115033**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Spandex**
- ◆ **Colors: Light Pink/Black/Glacier Blue/Coconut Milk White**
- ◆ **Price: \$5.50**

Design Highlights:

- Elegant gown-style design creates a plump bust shape.
- Built-in chest pad, no need to wear a bra—ready to go in one piece.
- Cross-back design showcases back curves.
- Naked-skin-friendly and breathable fabric with anti-pilling performance rated 4-5 levels.

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

◆ **Product Code: DWB115040**

◆ **Size: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Spandex**
◆ **Colors: Black/Apple Green/Coral Magenta/Blue Green**

◆ **Price: \$6.2**

Design Highlights:

- Fixed integrated cup, no need to wear a bra; wider hem for stability, stays in place during big movements.
- Classic I-shaped back for shockproof support, comfortable fit without rubbing shoulder blades; hollow design for style and sexiness.
- High-elastic, skin-friendly, and breathable fabric with anti-pilling performance rated 4-5 levels.

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

- ◆ **Product Code: DWB115042**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Spandex**
- ◆ **Colors: Summer Blue/Coral Magenta/Coconut Milk White/Black**
- ◆ **Price: \$6.2**

Design Highlights:

- Simple round neckline modifies facial shape and enhances facial contours.
- Fixed integrated cup, no need for a bra; wider side panels wrap armpit fat.
- Front curved hem modifies the abdomen for a slimming effect.
- Cross-knot design at the lower back cinches the waistline for an hourglass figure.

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

02 Short-Sleeves

- ◆ **Product Code: DWY115002**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 73% Nylon, 27% Spandex / 95% Nylon, 5% Spandex**
- ◆ **Colors: Pink/Blue/Green/Purple**
- ◆ **Price: \$7.20**

Design Highlights:

- Fake two-piece layered design with gradient fabric spliced with mesh, exuding elegant temperament.
- High neckline design prevents wardrobe malfunctions, offering skin-friendly breathability.
- Sexy open-back mesh design turns heads with a striking silhouette.
- Built-in chest cup eliminates the need for a bra, allowing free movement during exercise without cup displacement.

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- The fabric feels soft and smooth like silk, providing gentle skin contact without friction or irritation.
- Loose structural weave with large fiber gaps promotes air circulation, keeping the wearer cool and comfortable in hot weather.

- ◆ **Product Code: DWY115009**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 92% Cotton, 8% Spandex**
- ◆ **Colors: White Hemp Gray/Black/Blue Linen/Distilled Coffee**
- ◆ **Price: \$6.70**

Design Highlights:

- Classic round neckline modifies shoulder-neck lines, offering a simple and versatile style for all body types.
- Waist-cinching tailoring enhances an S-shaped curve for a slimmer silhouette.
- Fixed integrated cup eliminates the need for a bra, staying secure during running and jumping.
- High-elastic fabric with superior stretch allows unrestricted movement.

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- The fabric feels soft and smooth like silk, providing gentle skin contact without friction or irritation.
- Loose structural weave with large fiber gaps promotes air circulation, keeping the wearer cool and comfortable in hot weather.

- ◆ **Product Code: DWY115015**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Spandex**
- ◆ **Colors: Light Milk Green/Black/Coral Magenta/Summer Blue**
- ◆ **Price: \$5.00**

Design Highlights:

- Seamless one-piece knitted T-shirt for naked-skin comfort and zero 束缚 (restriction).
- Classic round neckline for timeless, versatile styling.
- Side waistline shaping for subtle curve definition.
- Textured panels (back center, chest, collar) enhance breathability.

Fabric Advantages:

- Yarns with neatly arranged fibers and a compact structure offer a smooth, durable finish, resembling single-ply yarn with ply-like strength.
- No risk of thread unraveling, significantly improving fabric durability.

- ◆ **Product Code: DWY115018**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 73% Nylon, 27% Spandex**
- ◆ **Colors: Black/Summer Blue/Coconut Milk White/Hyacinth Purple**
- ◆ **Price: \$6.70**

Design Highlights:

- Elegant small V-neckline flatters the collarbone and elongates the neck.
- Slim cropped length visually lengthens legs for a taller, slimmer look.
- Built-in chest pad eliminates the need for a bra, staying secure during movement.
- Premium sport fabric with Creora® PowerFit spandex: anti-pilling (4-5 levels), eco-friendly dyes without silicone oil, offering skin-friendly softness and breathability.

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- Temperature-controlled weaving with German fine needles ensures a premium texture.
- AAA-grade yarns provide stable texture and color, with custom network points for a fluffy, soft handfeel.
- **creora® PowerFit** spandex is heat-resistant, wear-resistant, tight and resilient.

- ◆ **Product Code: DWR115004**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 87% Nylon, 13% Spandex**
- ◆ **Colors: Black/Green/White/Purple**
- ◆ **Price: \$4.50**

Design Highlights:

- Soft, breathable fabric with moderate elasticity for casual daily comfort.
- Classic slim fit design: loose yet slimming.
- Rounded hem modifies body proportions, hiding belly and hip fat.

Fabric Advantages:

- Enhanced breathability: small pores increase air circulation, dissipating heat quickly to reduce stuffiness.
- Good ventilation helps minimize sweat buildup, reducing bacterial growth for skin health.

- ◆ **Product Code: DWY115022**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 73% Nylon, 27% Spandex / 85% Nylon, 15% Spandex**
- ◆ **Colors: Coconut Milk White/Glacier Blue/Black/Hyacinth Purple**
- ◆ **Price: \$6.70**

Design Highlights:

- Half-zipper design for one-second wear and removal.
- Seamless cuffs for zero restriction during movement.
- Waistline contouring design nips the waist for a slimming effect, slimming without tightness.
- Back spliced with ice silk butterfly mesh for enhanced breathability and heat dissipation.

Fabric Advantages:

- The fabric feels soft and smooth like silk, providing gentle skin contact without friction or irritation.
- Loose structural weave with large fiber gaps promotes air circulation, keeping the wearer cool and comfortable in hot weather.

- ◆ **Product Code: DWY115030**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 73% Nylon, 27% Spandex / 85% Nylon, 15% Spandex**
- ◆ **Colors: Coconut Milk White/Glacier Blue/Black/Hyacinth Purple**
- ◆ **Price: \$6.70**

Design Highlights:

- Half-zipper design for quick on/off convenience.
- Seamless cuffs ensure zero restriction during exercise.
- 3D waist-slimming design with contrasting webbing adds sporty-chic style.
- Back spliced with ice silk butterfly mesh for breathable coolness, saying goodbye to stuffiness.

Fabric Advantages:

- The fabric feels soft and smooth like silk, providing gentle skin contact without friction or irritation.
- Loose structural weave with large fiber gaps promotes air circulation, keeping the wearer cool and comfortable in hot weather.

◆ **Product Code: DWY115118**

◆ **Size: S M L XL**

◆ **Fabric Composition: 85% Nylon, 15% Spandex**

◆ **Colors: Black/Light Milk Green/Powder Beige/Glacier Blue**

◆ **Price: \$6.90**

Design Highlights:

- Heart-shaped neckline design, full of girlishness and vitality
- Waist-tightening princess line, three-dimensional slimming, creates a small waist
- Built-in chest pad, no cup shifting during exercise
- Sunscreen fabric, anti-UV UPF50+

Cup Advantages:

- Hot-melt adhesive PVR technology: Machine washable without deformation, peeling, or bubbling
- Sponge density 50, good resilience, high-elasticity and high-density sponge
- Nylon inner layer of the cup pad: Moisture-wicking, breathable

Fabric Advantages:

- Crisp, wear-resistant, easy-care, with good elasticity and stretch, fits body curves for free movement, unique matte texture for a low-key, elegant look.
- Has a certain premium feel, tight weaving structure for good stability and anti-deformation, not easy to loosen or deform.

- ◆ **Product Code: DWY115119**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 88% Nylon, 12% Spandex**
- ◆ **Colors: Jet Black/Sky Blue/Cream White/Dusty Rose**
- ◆ **Price: \$6.20**

Design Highlights:

- Original yarn cool feeling, long - lasting coolness.
- Fabric with UPF50 +, long - lasting sun protection without stiffness.
- Gathered on both sides, highlighting the slim waist.
- Arc - cut hem, no abdomen - clinging, also slimming.
- Basic version, suitable for any sports scene, casual and versatile.

Fabric Advantages:

- Features of being stiff, wear - resistant and easy to care for, with good elasticity and stretchability. It fits the body curves when worn, allowing free movement, presenting a unique matte texture, making the fabric look more low - key and restrained.
- Has a certain sense of premium. The tight weaving structure gives it good stability and anti - deformation ability, not easy to loosen or deform.

- ◆ **Product Code: DWY115087**
- ◆ **Sizes: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Spandex**
- ◆ **Colors: Coconut Milk White/Blue Seacoast/Naughty Pink/Summer Blue**
- ◆ **Price: \$11.20**

Design Highlights:

- Elegant stand-up collar for a straight shoulder look
- 3D three-dimensional cutting, cinches waist and slims figure, getting rid of bulkiness
- Mesh panel under the chest for breathable workouts without stuffiness
- The fit naturally lifts the bust, highlighting good figure and temperament

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

03 Long sleeves

- ◆ **Product No.: DWA115013**
- ◆ **Size: S M L XL**
- ◆ **Composition: 100% Polyester**
- ◆ **Color: Albumin/Black/Forest Green/Deep Purple**
- ◆ **Price: \$4.80**

Design Highlights:

- Free drop shoulder sleeves for unrestricted movement.
- Basic simple casual style, suitable for all body types.
- Ribbon back design to show sexy butterfly bones.
- Front-long and back-short hem to hide waist and abdomen fat.
- Semi-transparent texture fabric, light and breathable, skin-friendly, making sports freer.

Fabric Advantages:

- The surface presents an irregular eroded texture, with a certain artistic and natural aesthetic, which can increase the visual appeal of the fabric.
- Good air permeability, allowing air to circulate freely, keeping the wearer dry in hot weather.
- Often used in fashion design to add a unique style and personality to clothing.

◆ **Product No.: DWN115010**

◆ **Size: S M L XL**

◆ **Fabric Composition: 83% Nylon, 13% Spandex**

◆ **Color: Clear Spring Green / Coconut Milk White/
Hyacinth Purple/ Glacier Blue**

◆ **Price: \$13.00**

Design Highlights:

- Slim fit design, waist-closing without tightness; breathable back vent for enhanced airflow.
- Fabric with built-in sun protection, cooling, and quick-drying properties; integrated hood for head, face, and neck sun protection—one less item to carry when going out; ponytail-compatible opening.
- Finger holes at cuffs for sun protection extending to the back of hands.
- Hidden pockets for convenient storage during outings.

Fabric Advantages:

- Provides a cool sensation upon contact with skin, effectively reducing body surface temperature.
- High UPF (Ultraviolet Protection Factor) for blocking most UV rays and protecting the skin.
- Lightweight, soft, and elastic for comfortable, close-fitting wear without restriction.

- ◆ **Product No.: DWN115080**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 83% Nylon, 13% Spandex**
- ◆ **Color: Khaki/ Ice Mist Pink/ Light Pink Blue/ Coconut Milk White**
- ◆ **Price: \$11.2**

Design Highlights:

- Stand collar design for a capable and energetic look.
- Three-dimensional waistline division for a slim fit without tightness, visually slimming the figure.
- Finger holes at cuffs to protect the back of hands from the sun.
- Stylish cropped length to create the illusion of longer legs.
- Fabric with built-in sun protection, quick-drying, and cooling properties for enhanced comfort.

Fabric Advantages:

- Provides a cool sensation upon contact with skin, effectively reducing body surface temperature.
- High UPF (Ultraviolet Protection Factor) for blocking most UV rays and protecting the skin.
- Lightweight, soft, and elastic for comfortable, close-fitting wear without restriction.

- ◆ **Product No.: DWN115117**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 89% Nylon, 11% Polyester**
- ◆ **Color: Lilac Purple/Naughty Pink/Rice Apricot/Twilight Pink**
- ◆ **Price: \$9.50**

Design Highlights:

- Stylish stand collar to highlight straight shoulders, exuding a poised and stylish aura.
- Lightweight fabric with three-proof protection: sun-resistant, water-resistant, and wind-resistant.
- Adjustable drawstring at the hem to cinch the waist and create versatile silhouettes.
- Ventilated designs on the front and back for heat dissipation and sweat-free comfort.

Fabric Advantages:

- Lightweight waterproof and windproof fabric effectively blocks wind and rain while maintaining breathability to keep the wearer dry.
- Featherlight and burdenless, with excellent abrasion and tear resistance.

04 Pants Series

- ◆ **Product No.: DWS115003**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Lycra Spandex**
- ◆ **Color: Black/Plum Jam/Peat Moss/Seacliff Gray**
- ◆ **Price: \$8.30**

Design Highlights:

- Lycra fabric with high elasticity and tightness, strong wrapping, naked-skin-friendly, no burden when worn.
- Three-quarter length for refreshing sports and longer-looking legs.
- Front panel division to modify leg shape and appear slimmer.
- High-waist fit without restriction, making you look slim without sucking in your stomach.
- Peach hip line to lift and shape the buttocks.
- Side pockets for convenient carrying during sports.
- 7A antibacterial lining, no visible panty line for no embarrassment.

Fabric Advantages:

- LYCRA (Lycra), a premium fabric, with AAA-grade high-quality yarns, good color fastness, high needle density weaving, and special fibers for comfort, fit, shape retention, durability, and freedom of movement.
- 5x flexible stretch with instant strong rebound, strong yet soft, providing a more naked-skin-free wearing experience.

- ◆ **Product No.: DWP115011**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Lycra Spandex**
- ◆ **Color: Black/Castanea/Seacliff Gray**
- ◆ **Price: \$9.65**

Design Highlights:

- 11CM high-waist composite design for 360° body shaping, double stability at the back waist triangle, micro-pressure wrapping to enhance waist and abdomen control.
- Buttock dot glue for instant buttock lifting.
- 7A antibacterial lining, no visible panty line for no embarrassment.
- One-piece cutting process without seams to reduce friction and improve sports comfort.
- Arbitrary cut design at the leg opening, no fear of long pants, free to cut without fraying.
- Lycra high-elastic fabric, soft and skin-friendly, moisture-absorbing and breathable.

Fabric Advantages:

- LYCRA, a premium fabric, with AAA-grade high-quality yarns, good color fastness, high needle density weaving, and special fibers for comfort, fit, shape retention, durability, and freedom of movement.
- 5x flexible stretch with instant strong rebound, strong yet soft, providing a more naked-skin-free wearing experience.

◆ **Product No.: DWL115016**

◆ **Size: S M L XL**

◆ **Fabric Composition: 91% Polyester, 9% Spandex**

◆ **Color: Black/Castanea/Rhino Gray/Albumin**

◆ **Price: \$7.75**

Design Highlights:

- Sun protection / Environmental protection recycling report / Waist fabric anti-pilling performance reaches level 4-5 / Coats thread
- Pleated loose fit on both sides of the front waist to cover flesh and fake hip width
- Elastic waistband for extra comfort

Fabric Advantages:

- Using Jinjiang Technology all-nylon content yarns, woven by special technology, the yarn is densely woven as a whole. The fabric has sun protection function and certain air permeability, allowing the human skin to breathe fully, suitable for light outdoor sports.

- ◆ **Product No.: DWS115026**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 94% Cotton, 6% Spandex**
- ◆ **Color: Lilac/Milky White/Light Gray/Black**
- ◆ **Price: \$5.00**

Design Highlights:

- Professional Iyengar shorts, pure cotton material, comfortable and breathable, making legs look longer.
- Leg opening closure design to prevent exposure, allowing free movement during yoga.

Fabric Advantages:

- Twill weaving process, soft Audrey feel, hydrophilic and breathable, soft and skin-friendly texture for comfortable wearing.
- Made of pure cotton compact spinning as raw material, treated with singeing, resulting in less fuzz on the fabric surface, smooth and tidy, with clear texture.

◆ **Product No.: DWL115027**

◆ **Size: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Spandex**

◆ **Color: Black/Castanea/Plum Jam/Seacliff Gray**

◆ **Price: \$8.45**

Design Highlights:

- Flared silhouette accommodates various leg shapes and modifies body proportions.
- Three-dimensional division for visually narrower legs, easily achieving slender and straight legs.
- Six-directional line positioning at the waist to prevent curling.
- Small hollow design on the right side of the waist to create a sexy "ant waist."
- Hip line lifts buttock muscles for an instant perky look.
- Highly elastic and soft fabric for comfortable wearing, with anti-pilling rating 4-5, maintaining shape after multiple washes.

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

◆ **Product No.: DWS115091**

◆ **Size: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Lycra Spandex**

◆ **Color: Black/Light Milk Green/Plum Jam/Coconut Milk White**

◆ **Price: \$6.90**

Design Highlights:

- High-waist fit for waist slimming and tummy control, no slipping down.
- Dot glue technology for buttock lifting, shaping an S-curve.
- No outer side seams for comfort and no marks.
- Four-point suitable for all, creating an illusion of long legs.
- Fly bird antibacterial crotch for effective bacteriostasis, no embarrassment.

Fabric Advantages:

- LYCRA (Lycra), a premium fabric, with AAA-grade high-quality yarns, good color fastness, high needle density weaving, and special fibers for comfort, fit, shape retention, durability, and freedom of movement.
- 5x flexible stretch with instant strong rebound, strong yet soft, providing a more naked-skin-free wearing experience.

- ◆ **Product No.: DWP115107**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Spandex**
- ◆ **Color: Black/Castanea/Apple Green**
- ◆ **Price: \$8.10**

Design Highlights:

- Contrast-color slimming line design to modify leg shape, versatile and stylish with a tech-inspired look.
- Creative hip line for tight buttock lifting, restoring a natural buttock shape.
- Highly elastic fabric for unrestricted movement, with anti-pilling performance reaching level 4-5.
- Four-needle six-thread stitching for tight and firm lines, enhancing the silhouette.

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

- ◆ **Product No.: DWK115067**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 100% Nylon / 85% Nylon, 15% Spandex**
- ◆ **Color: Black/Hyacinth Purple/Khaki/Military Green**
- ◆ **Price: \$8.45**

Design Highlights:

- Professional running shorts with a running air design; rear waist pocket for sweat towel storage.
- Three-dimensional utility pockets for ample storage.
- Reflective silver strips on both sides for safe night running.
- Fake two-piece design with built-in safety shorts to prevent exposure.
- Sun-protective fabric with UPF50+ UV resistance.

Fabric Advantages:

- Lightly crinkled, skin-friendly functional sun-protective fabric with outdoor water-repellent and anti-static properties, and UPF50+ sun protection.

- ◆ **Product No.: DWP115071**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 80% Nylon, 20% Spandex**
- ◆ **Color: Black/Pine Cone Brown/Peat Moss/Wood Raspberry Red**
- ◆ **Price: \$10.3**

Design Highlights:

- Utility-style design for outdoor versatility, suitable for both sports and daily wear.
- Side utility pockets for convenient storage of small items.
- Adjustable drawstring waist for a secure, non-restrictive fit during movement.
- Super-elastic fabric with a soft, sticky rice-like texture for strong wrapping and unrestricted motion.

Fabric Advantages:

- Excellent elasticity for rapid recovery after stretching, ensuring no tightness and freedom of movement.
- Soft and delicate texture similar to sticky rice, providing a comfortable close-fitting experience.
- High abrasion and durability to withstand daily wear and washing.

- ◆ **Product No.: DWH115074**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 91% Polyester, 9% Spandex / 85% Polyester, 15% Spandex**
- ◆ **Color: Black/Blue Flax/Water Moss/Bark Brown**
- ◆ **Price: \$7.40**

Design Highlights:

- Fake two-piece design to prevent exposure.
- Left pocket in the inner shorts for convenient storage of small items.
- High-waist silhouette to elongate legs and create a slimming effect.
- Adjustable drawstring waist for a personalized fit.
- Mesh panel at the outer leg openings for layered styling and enhanced breathability—keeping you cool during sports.

Fabric Advantages:

- Using Jinjiang Technology all-nylon content yarns, woven by special technology, the yarn is densely woven as a whole. The fabric has sun protection function and certain air permeability, allowing the human skin to breathe fully, suitable for light outdoor sports.

◆ **Product No.: DWS115077**

◆ **Size: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Spandex**

◆ **Color: Black/Azure Coast/Plum Jam/Peat Moss**

◆ **Price: \$6.70**

Design Highlights:

- 360° full-wrap waist with composite waistband to prevent rolling, providing abdominal control and waist support for running, cycling, and multiple scenarios.
- Fake back pocket design for an outdoor-inspired look, enhancing buttock shaping for an instant lift.
- Comfortable and breathable fabric with built-in cooling technology and UPF50+ UV protection.
- Anti-pilling rating >4 for enhanced durability.

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

◆ **Product No.: DWP115092**

◆ **Size: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Spandex**

◆ **Color: Black/Castanea/Seacliff Gray/Peat Moss**

◆ **Price: \$7.40**

Design Highlights:

- High-waist design to control the abdomen and prevent rolling.
- Peach hip line division to lift the hip line, creating a tight and full silhouette while modifying leg shape.
- Side storage pockets for stable and secure carrying of items.
- Original yarn with built-in cooling technology and UPF50+ sun protection.

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

- ◆ **Product No.:** DWL115096
- ◆ **Size:** S M L XL
- ◆ **Fabric Composition:** 80% Nylon, 20% Lycra Spandex
- ◆ **Color:** Black/Concentrated Coffee/Khaki/Azure Coast
- ◆ **Price:** \$9.00

Design Highlights :

- Micro-flared silhouette for leg-lengthening effect, accommodating various leg shapes to create ideal long legs.
- Curved hip line design to lift and shape a perky buttock for a fuller look.
- Wide high waist with elastic tightening to create a slim waistline.
- 7A antibacterial crotch for health and peace of mind.

Fabric Advantages:

- Uses high-quality nylon yarns that are breathable, tensile, and abrasion-resistant, with a delicate and soft handfeel.
- Spandex uses domestic top-brand Hyosung 40D spandex yarn, which combines with nylon to provide tension and wrapping, enhancing durability.
- Woven with a 38-inch 40-needle process for a more skin-friendly and soft texture than ordinary fabrics.

◆ **Product No.: DWP115109**

◆ **Size: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Spandex**

◆ **Color: Black/Azure Coast/Military Green/Khaki**

◆ **Price: \$8.45**

Design Highlights:

- Waist zipper + button design for strong abdominal control and anti-rolling.
- Peach hip line division to lift the hip line, creating a tight and full silhouette while modifying leg shape.
- Front "M-line" three-dimensional division to enhance leg line shaping for an instant long-leg effect.
- Multi-functional fabric with UPF50+ sun protection, built-in cooling technology, and collagen additives to protect delicate skin.
- Foot opening pressure glue workmanship for heavy-duty comfort and aesthetics.

Fabric Advantages:

- Selected high-quality fabrics, AAA-grade yarns, saturated colors, fresh fabric surface
- Spandex uses Korea Hyosung PowerFit, excellent shaping with flexible stretch
- Anti-pilling (single-sided spandex, pre-shrunk fabric with self-milled effect), skin-friendly and soft with a gentle cotton-like feel
- Dense weaving process, high stitch density for a naked-skin light support feel

◆ **Product No.:** DWS115112

◆ **Size:** S M L XL

◆ **Fabric Composition:** 80% Nylon, 20% Lycra Spandex / 95% Nylon, 5% Spandex

◆ **Color:** Black/Peat Moss/Wood Orange/Glacier Blue

◆ **Price:** \$6.20

Design Highlights :

- High-waist design with 360° mesh panel splicing, creating sporty pants with a built-in waist bag for all-around storage; zipper closure for stability and no loss.
- 2.5cm anti-rolling rubber strip at the waistband for abdominal control and anti-rolling, providing better waist support.
- Peach hip line division to lift the hip line for a tight and full silhouette.
- 7A antibacterial crotch for health and peace of mind.

Fabric Advantages:

- Uses high-quality nylon yarns that are breathable, tensile, and abrasion-resistant, with a delicate and soft handfeel.
- Spandex uses domestic top-brand Hyosung 40D spandex yarn, which combines with nylon to provide tension and wrapping, enhancing durability.
- Woven with a 38-inch 40-needle process for a more skin-friendly and soft texture than ordinary fabrics.

◆ **Product No.: DWS115113**

◆ **Size: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Lycra Spandex**

◆ **Color: Black/Apple Green/Glacier Blue/Wood Orange**

◆ **Price: \$5.00**

Design Highlights:

- 2.5cm high-waist design with built-in anti-rolling rubber strip for abdominal control, anti-rolling, and enhanced waist support.
- Rear waist built-in pocket for convenient storage.
- Side seamless design to modify leg shape without marks.
- Basic silhouette for simple and advanced style, versatile for various occasions.
- Lycra fabric with super elastic wrapping for a stylish fit, maintaining shape after multiple machine washes.

Fabric Advantages:

- LYCRA (Lycra), a premium fabric, with AAA-grade high-quality yarns, good color fastness, high needle density weaving, and special fibers for comfort, fit, shape retention, durability, and freedom of movement.
- 5x flexible stretch with instant strong rebound, strong yet soft, providing a more naked-skin-free wearing experience.

◆ **Product No.: DWS115114**

◆ **Size: S M L XL**

◆ **Fabric Composition: 80% Nylon, 20% Lycra Spandex**

◆ **Color: Black/Apple Green/Plum Jam/Azure Coast**

◆ **Price: \$6.70**

Design Highlights:

- 2.5cm High-Waist Design: Built-in anti-roll rubber strip for abdominal control, preventing waistband curling and providing lumbar support.
- Extra-Long Side Pockets: 20cm-long side pockets for secure storage, stable and non-shaking during movement.
- 7A Antibacterial Crotch: Health-friendly lining to reduce odor and bacteria growth, ensuring daily hygiene.
- Curved Leg Opening: Elongates leg lines visually, creating a slimming and leg-lengthening effect.
- Lycra High-Elastic Fabric: Offers strong wrapping and shaping, maintaining elasticity and fit after multiple washes.

Fabric Advantages:

- LYCRA (Lycra), a premium fabric, with AAA-grade high-quality yarns, good color fastness, high needle density weaving, and special fibers for comfort, fit, shape retention, durability, and freedom of movement.
- 5x flexible stretch with instant strong rebound, strong yet soft, providing a more naked-skin-free wearing experience.

05 Tennis Skirt Series

◆ **Product No.: DWD115066**

◆ **Size: S M L XL**

◆ **Fabric Composition: 85% Nylon, 15% Spandex**

◆ **Color: Black/Hyacinth Purple/Summer Blue/Coconut Milk White**

◆ **Price: \$6.20**

Design Highlights:

- **A-Line Silhouette:** Flared design visually elongates legs and hides hip/ thigh flaws, suitable for various body types.
- **High-Waist Anti-Roll Design:** Built-in silicone strip prevents waistband curling, ensuring a secure fit during movement.
- **Faux Two-Piece Construction:** Inner shorts for anti-sheer protection, ideal for sports or daily wear without embarrassment.
- **Left Inner Pocket:** Convenient storage for small items like tennis balls or smartphones.
- **Wrinkle-Resistant & Elastic Fabric:** Maintains shape after washing, with soft drape and no ironing needed.

Fabric Advantages:

- **Matte Texture & High Stability:** Dense weaving offers a premium, low-key look with excellent anti-deformation properties.
- **Stretch & Recovery:** Adaptive fit for body curves, providing freedom of movement in sports or daily activities.
- **Easy Care:** Durable, fade-resistant, and retains softness after repeated washes.

- ◆ **Product No.: DWD115110**
- ◆ **Size: S M L XL**
- ◆ **Fabric Composition: 85% Nylon, 15% Spandex**
- ◆ **Color: Azure Coast/Hyacinth Purple/Light Milk Green/Coconut Milk White**
- ◆ **Price: \$7.40**

Design Highlights:

- **Pleated Tennis Skirt Design:** A-line silhouette with dynamic pleats for a lively, leg-lengthening effect, suitable for sports or casual wear.
- **High-Waist Anti-Roll Waistband:** Built-in silicone strip prevents curling, providing abdominal control and a secure fit during movement.
- **Faux Two-Piece with Inner Shorts:** Anti-exposure design for peace of mind during active sports, combining style and functionality.
- **Inner Storage Pocket:** Convenient pocket in the lining for storing small items like tennis balls or keys.
- **UPF50+ Sun Protection Fabric:** Blocks harmful UV rays, ideal for outdoor activities while maintaining breathability.

Fabric Advantages:

- **Matte Finish & High Elasticity:** Dense weaving offers a sleek, understated look with excellent stretch and recovery for a body-hugging fit.
- **Durable & Low Maintenance:** Resistant to deformation and fading, with a soft drape that requires no ironing, ensuring long-lasting wear.
- **Breathable & Quick-Drying:** Moisture-wicking properties keep you cool and dry during workouts.
